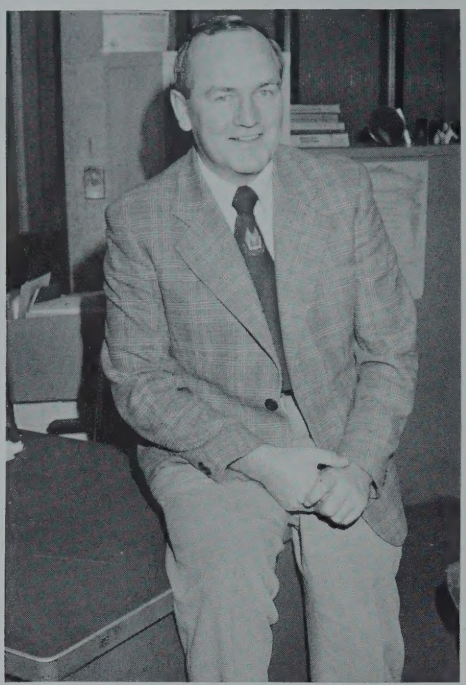
DEDICATION



Mr. Vincent Finn

Mr. Finn was born in Yorkshire, England. He joined the faculty of Cambridge High and Latin School in 1974.

Along with the many responsibilities of his Social Studies classes, Mr. Finn was appointed advisor to the Yearbook staff. Because this was a new experience to both him and the students, there was a tremendous amount to learn and organize.

We've found his help and leadership invaluable in the production of the yearbook.

Mr. Les Kimbrough

Mr. Kimbrough, you've been a devoted friend, a big brother, a shoulder to lean on. You helped deal with our perpetual problems. You attended those numerous fund raisers and class outings. You're always there on the side lines cheering us on. You've done much more than expected.

We appreciate your input in shaping C.R.L.S. to reach the ultimate goal of Love, Peace, and Pride.

Mr. Bill Timmins

Mr. Timmins is a health teacher and the coordinator of Driver's Education class, here at C.R.L.S. He took on the responsibility of being the sole advisor for the largest senior class to ever graduate from C.R.L.S. The success of our senior year is attributed to the dedicated work of Mr. Timmins.

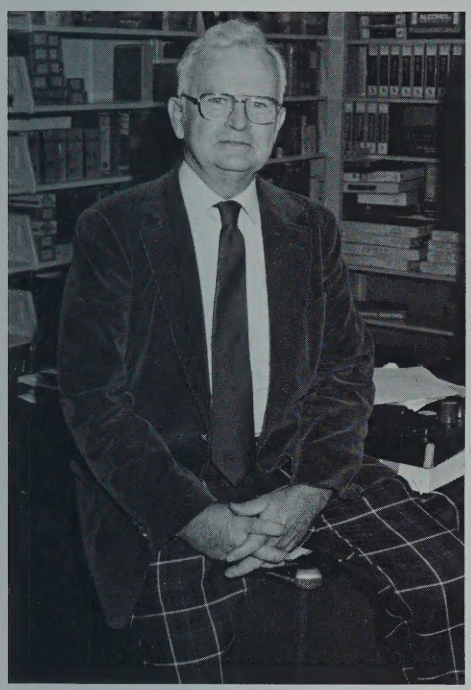
He did a lot more for our class than an advisor could ever be expected to do. He is deeply admired and respected by all the members of this graduating class.

We the class of '83 would like to thank Mr. Finn, Mr. Kimbrough, and Mr. Timmins for the service and guidance that they have given us in our four years here at C.R.L.S.

Our senior year was full of aggravations, but with their help we were able to reach our goals.

Together, we worked to make our senior year a productive, yet memorable time in our lives.

RETIREES



Mr. Paul Dawson

Mr. Paul Dawson is retiring after 32 years of work at Cambridge High School. In 1950, Mr. Dawson entered Cambridge High as a Math teacher and by 1969 he was working in the Audio-Visual Department.

"For any successful achievement, the atmosphere and surrounding environment must be enjoyable." Without a doubt, Mr. Dawson adds life to everything he does. He symbolizes what C.R.L.S. represents: a unified endeavor serving for mutual happiness. Despite his success, he's looking forward to retiring. There will be a big void to be filled, his departure will be felt by everyone.

Ms. Sylvia O'Donnell

Ms. Sylvia O'Donnell is a member of the Bureau of Pupil Services. She has been member of the Cambridge High School faculty for the past ten years.

Her efforts have been concentrated in the area of student learning disabilities, with special emphasis on dyslexia-related problems.

"I feel my work has helped my students become more confident in themselves. This will in turn help them in their adult life."

Mr. Charles Adams

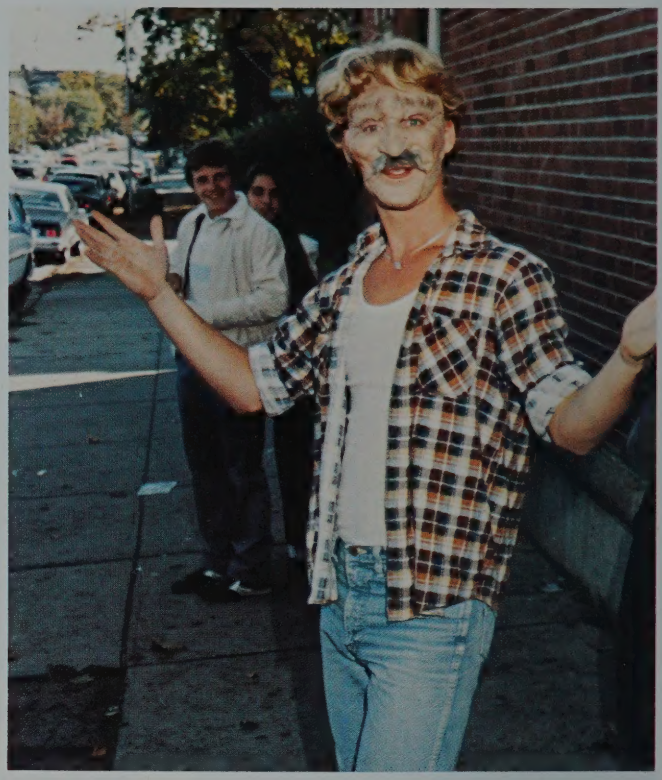
Also retiring this year is Mr. Charles W. Adams, Director of the Library Media Services. As director, he is in charge of the high school library, elementary libraries, the Teachers' Resource Center, and the Audio Visual Department.

Mr. Adams has had responsibility over the whole Cambridge Library System for the past 17 years.

We congratulate him on a job well done.

These people have helped us along the road to a higher education. They helped build our minds, supported our dreams, and yet they made us see we have to face reality. We thank them for their unselfish contributions and we wish them a long and rewarding retirement.

AS YOU ARE . . .



A face in the crowd

AS YOU LIKE IT . . .

C.R.L.S. is a school like no other. The opportunity to learn and grow is accompanied with many friendly activities. From Angelo's pizza to Pete's, our school has access to a variety of stores, hang-outs, and video games. If you want some entertainment, there's always the promising musicians in Harvard Square. Nevertheless, the combination of academics and school spirit enhance the urge to get up for school.

Looking Back

Childhood,
seemingly eternal;
a never ending pantomime
played out with games of fantasy
and rhyme.
Oh,
how soon the past becomes
nothing but a phrase:
"Do you remember when . . .?"
substitutes our younger days.
Friends
follow separate paths-
to meet again perhaps by chance.
And memories supplied by photographs.
"Do you remember when . . .?"

HISTORY OF THE CLASS OF "83"

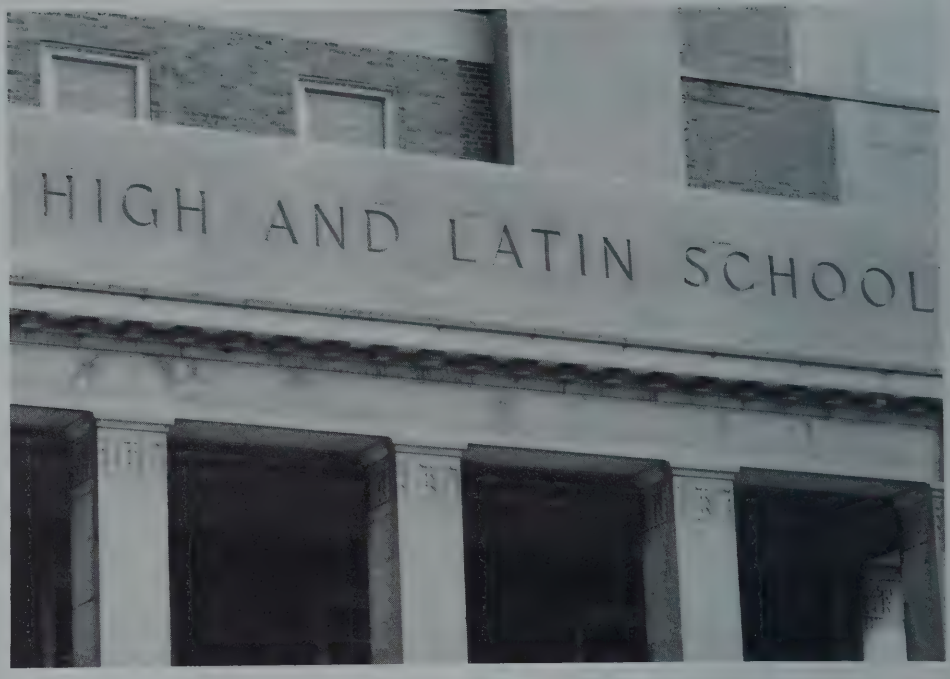
When we started our freshman year in September '79, we were in the process of combining Rindge and Latin. We were sad to see such a memorable, old building be torn down for our new school.

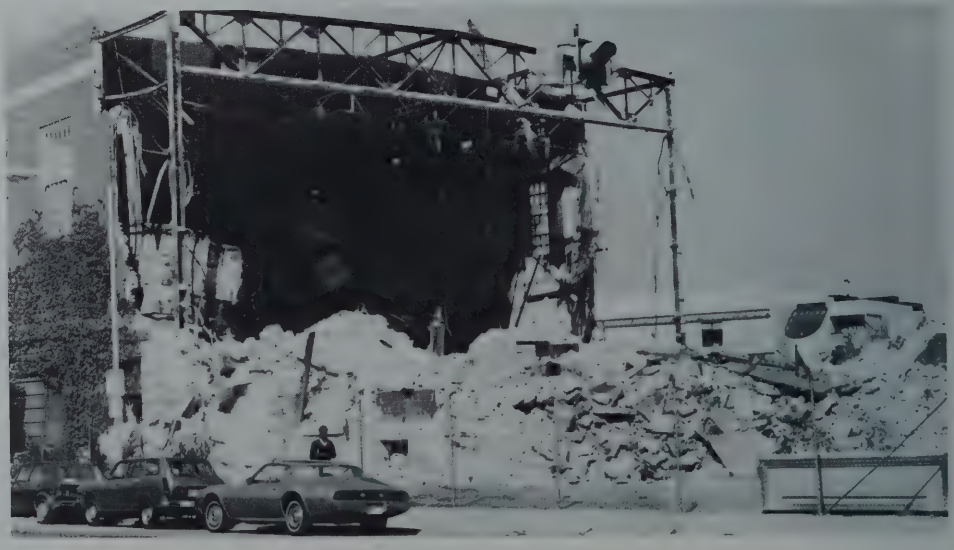
Many things happened freshmen year. We had our field trips, concerts that were happy occasions. We also had our tragedys, the deaths of some students who were our friends. We had our share of racial problems, but we worked them out. Tensions began to lessen about racial difficulties. People passed out racial harmony buttons and meetings were held for discussions.

In our sophomore year we had our first major walkout for the teachers who were striking at the time.

When we began our junior year we started looking towards our college futures and job futures. Visits to our guidance counselors were regular. Studying our PSAT's and SAT's.

Our senior year was all preparation for our yearbooks, caps and gowns and our prom. Our senior class trip to Quebec where almost 120 students and faculty went was a terrific vacation. Seniors are a community of friends that gather during school activities and especially discussions in the Student Service Center.





OUR NEW CAMPUS

RIVERSIDE PARK

One sunny Friday in June, sixty Juniors went to **Riverside Park.** Some enjoyed themselves in the Arcade, in restaurants, or just walking around. Others risked their lives on the Loop Rollercoaster, the Ferris wheel, and the Hoopster. But everyone would agree, the best way to cool off on that hot day was by riding the Flume.

JAZZ

Security gets down!

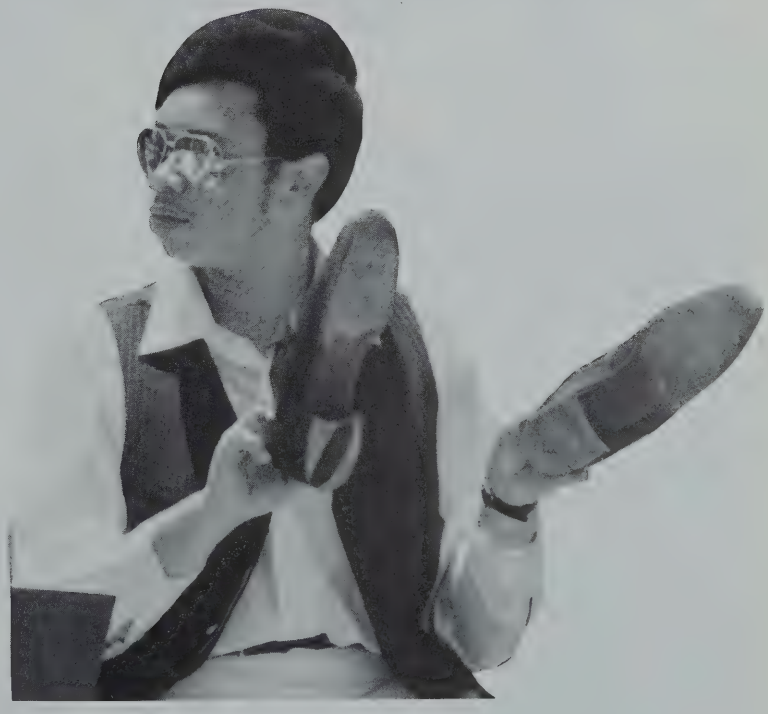
The **Jazz Ensemble** which performed for the school in June of 1982, was fantastic to listen to and watch. It showed the musical talents of the C.R.L.S. students, and of *Jimmy Smith*, who along with *Bob Ponte* coordinated the band.

Both the singing and music were full of life which showed in students who stood close by singing and clapping their hands to the beat.

Lets get this show on the road!

ENSEMBLE

Students and faculty get together for some easy-listening music.

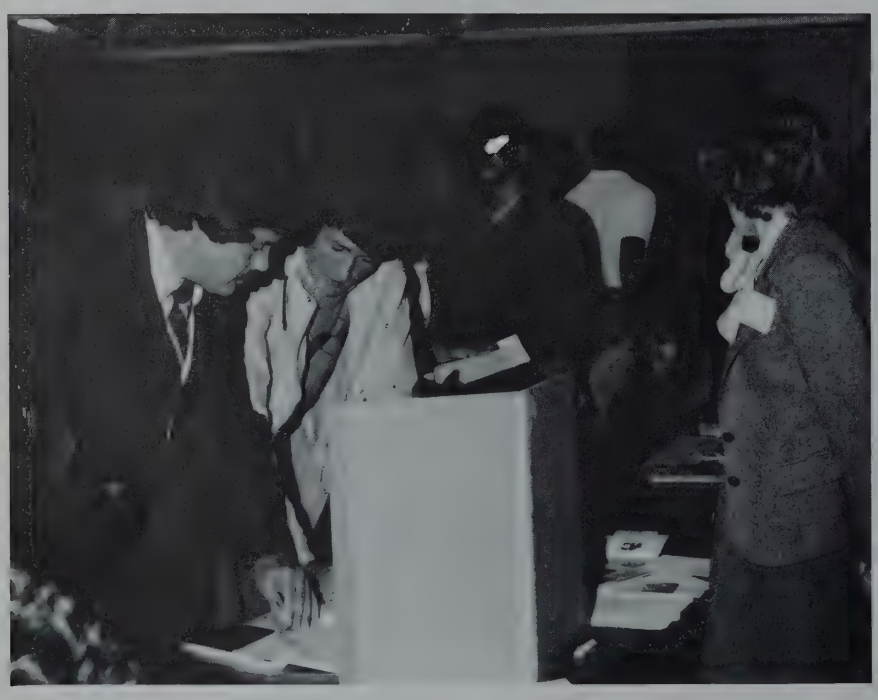


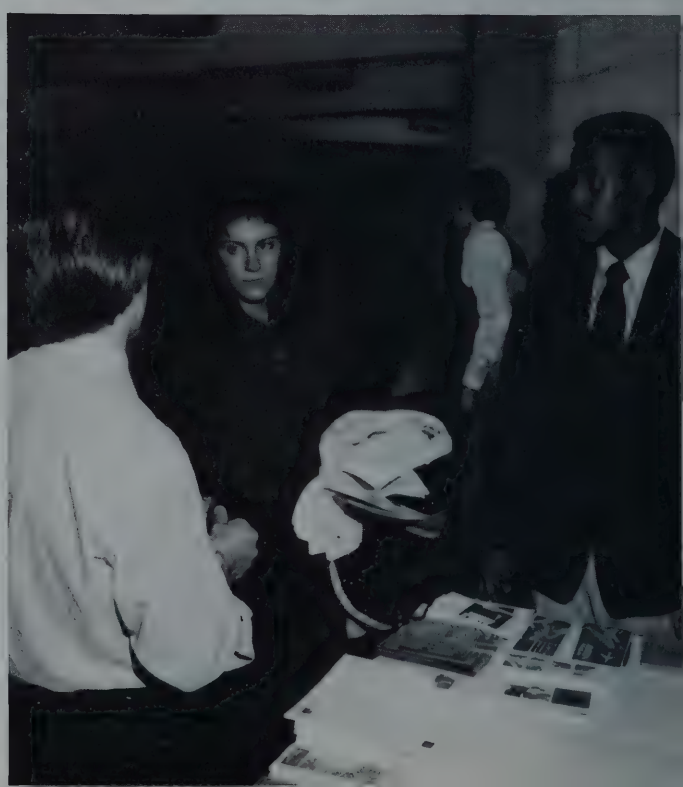
It's shoooo . . . time!

COLLEGE

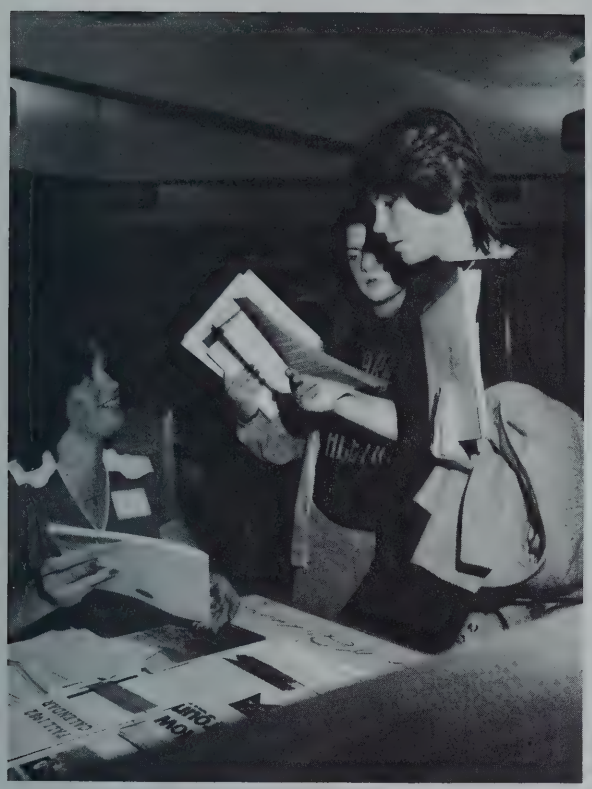
The **College Fair** was held at CRLS on September 30, 1982. It was a time when the students gathered to look into the different colleges all over the United States. As many as 200 colleges attended.

Students had a chance to receive some knowledge of the colleges that they were interested in. It helped them in deciding what their future is going to be.





FAIR



HALLOWEEN DANCE

was a howling good evening
or those party-hearty trick-or-
reaters as they boogied to the
ams of the Senior Class Hallo-
ween Party. It was time for
hose witches, ghosts, and
oblins to come out of their
lusters for this full moon occa-
on. Once they got rolling,
here was no stopping them.

They were enhanced in the magical D.J.ing powers of Jerry Mathis, which kept them in the mood. They all bumped, jumped, wormed, and squirmed all evening.
But then the time came when the clock struck twelve, leaving all with sparks in their eyes.

HOMECOMING DANCE

Homecoming Queen's Crowned.

A school year without a Homecoming Dance is like a Thanksgiving without a turkey. Our Turkey game victory was preceded by the gathering of students at our Homecoming Dance. The two queens that were crowned were Elaine Maldonado and Aisha Saunders with the pairing of kings being John Crowley and Paul Martin, respectively. It was a night everyone enjoyed while anxiously awaiting the traditional game next morning.

CULINARY ARTS

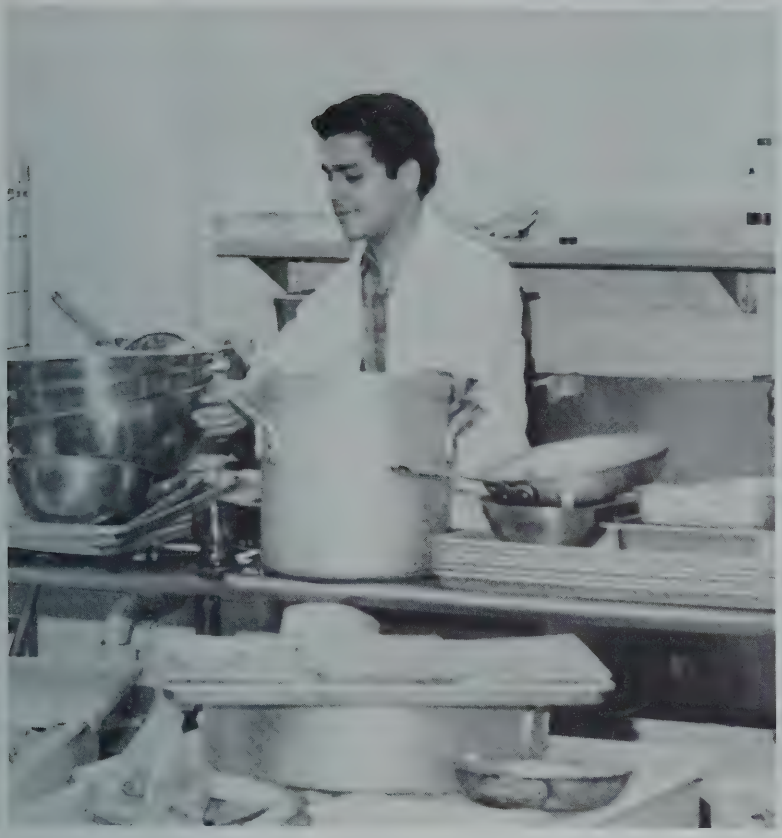
Stuff like this makes me want to go to college!

Don't ask me to think, I was hired for my looks!

The Cantabridgia Restaurant is run by Bill Calore along with a number of culinary arts students. All of the food is homemade including the breads and pastries. The restaurant is part of a three-year program for Occupational Education students who later find jobs in other well-known restaurants.

The Cantabridgia also cooks for banquets of up to 350 people and takes cake orders. The restaurant itself seats 44 people. It's in its third year of serving buffets as well as sit-down lunches three days a week from 11:20-1:00. They serve a variety of food such as veal, chicken, lamb, salmon, and always a vegetarian entree.

CANTABRIDGIA RESTAURANT



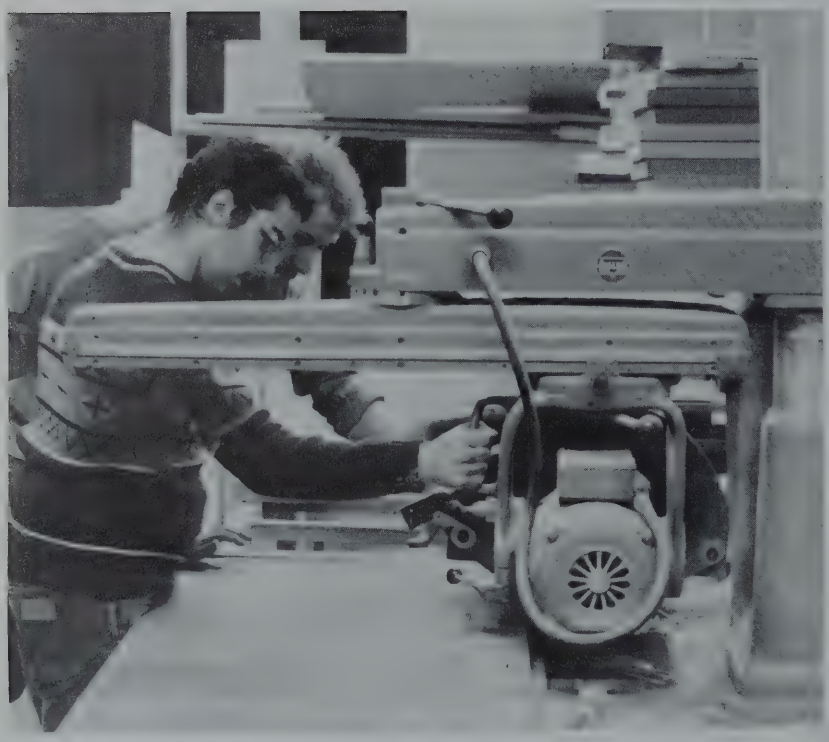
What a person has to go through for some extra credit!

NO! I don't do windows.

VOCATIONAL TRAINING

Billy O'Connell who leaves us this year gained some of his work experience working at the Cambridge City Hospital.

A hive of activity.



The class of 1983 is proud to announce that John Considine and Billy O'Connell are the first students enrolled in the special Needs Program to graduate from C.R.L.S. The students in this Vocational Training Program spend 6-7 years here learning, reading, home economics, culinary arts, transportation, art, music, and physical education. Many of the students have work/study programs which help them to go directly to work when they graduate.

Getting the soup stock ready.

STUDENTS

Watch out I.B.M. here comes the best copy team in Massachusetts.

John Considine gained some of his work experience working at the Broadway Supermarket.

Even though the rest of the high school students at first had difficulties adjusting to this new program, the reaction has generally been positive. The handicapped students have become as much a part of the high school as the non-handicapped students.

ALPINE

It was a lot of hard work, but the Alpine Ski Club accomplished much of what we set out to do. This year on eight successful trips we took 200 people skiing. Many went more than once, though a third were beginners. Again we opened up a spot previously thought to be closed to kids from Cambridge. From 5:00 in the morning, we watched kids from all over the city form friendships on Ski Club trips. There has been a lot of hard work, aggravation, frustration, and confusion, but no regrets.

It would be most inappropriate not to thank those who were invaluable to the Ski Club: Trip Leader — George Greenidge, Advisor — Mary-Louise Piret, and our Assistant Director — Christina Roberts, and Photographer — Patrick Barten. In addition, we would like to thank the Youth Enrichment Service for making it all possible.

Think snow . . .

SKI CLUB

ALPINE SKI CLUB

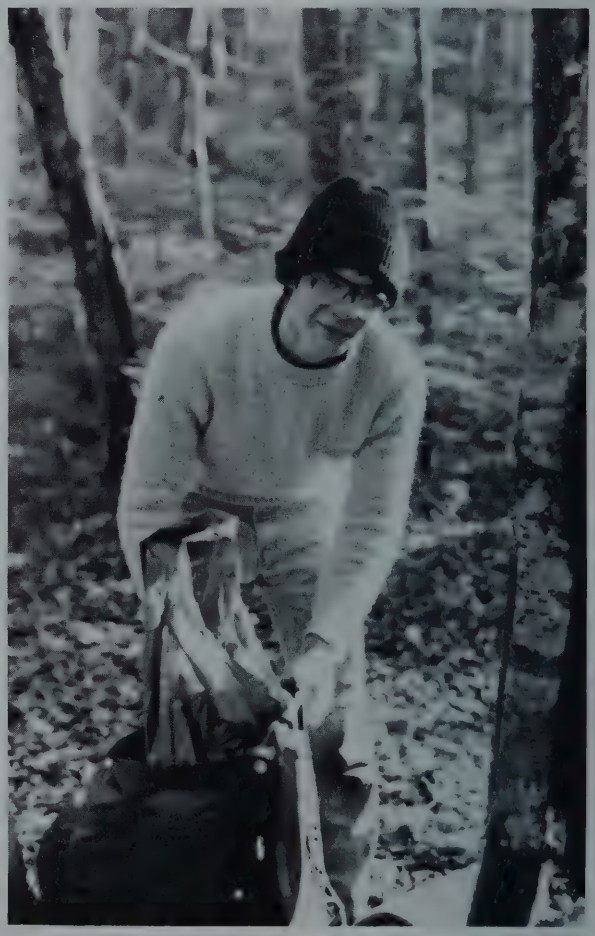
I only fell five times!!

Hey Man, wait up!

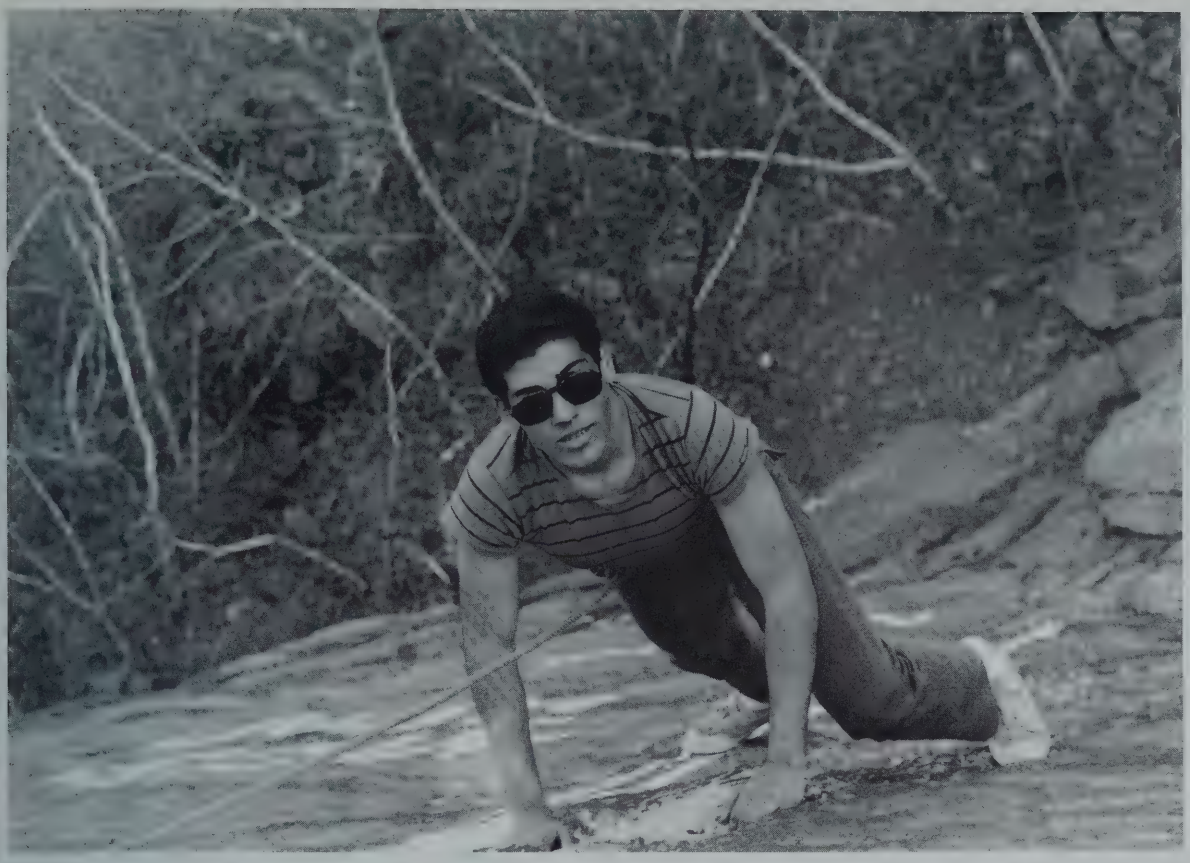
WILDERNESS WEEK-ENDS

Not now .... my hair.

Look, it's easy.

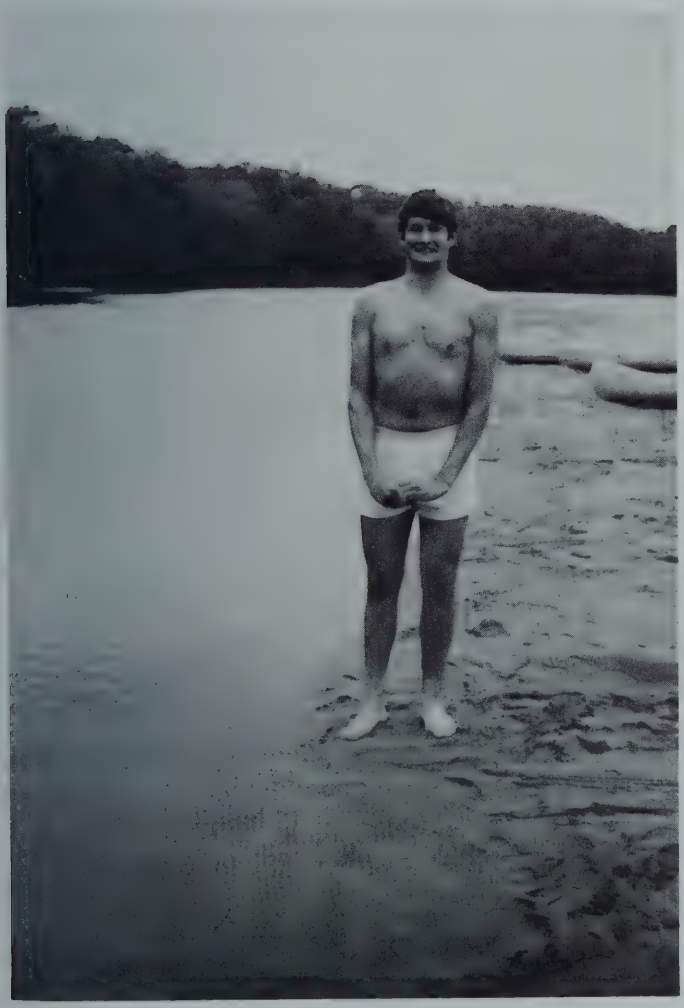


Oh well. There's always next weekend.



Hey man, how did you get up there?

Hiking, Backpacking, Canoeing, Rock Climbing, X-country Skiing, Ropes Course . . .
These are a few of our favorite things, as the 1982-83 version of the C.R.L.S. Wilderness Club rolled along. Mr. Weinstein would like to thank those who participated and those who helped out this year, as once again we demonstrated that through group cooperation, anything is possible and anything is **FUN.**



Boy, is it cold.

JUNIOR SKI TRIP

I bet it's not as easy as you say.

Is this the way Brook Shields started out?

The Junior Class Ski Trip was a success. They spent the day at Loon Mt., New Hampshire. It brought many members of the Junior class together. The time spent that day will always be remembered, it's too bad more Juniors weren't able to attend.

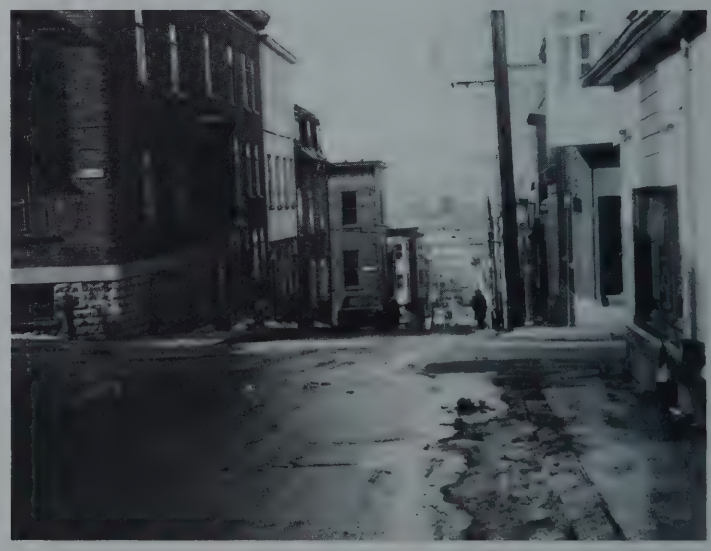
Many people rode up by coach bus, but a fortunate few had a memorable time on a beat-up van. The van ride was made enjoyable, friendly, and crazy by Fast Freddie, Gordie, and Ruby.

Many different kinds of skiers went on the trip, from pro's to beginners. Only a few got stranded at the top.

CHEEEEZ

Thanks to the guidance and the caring of all the teachers for without their help we couldn't have made it down: Mr. Kimbrough, Miss Ruby Pierce, Mr. Freddie Simmons, Mr. Gordie Axtman, Mr. Greenidge, Mr. S. Jenkins, Mr. Kelley, and we can't forget the Y.E.S. people for their work also.

QUEBEC



SENIOR TRIP

Believe it or not, a Senior class trip is an educational experience. It is a time when everyone assimilates lifestyles. You find out who snores, and who doesn't; who sings in the shower, and who doesn't; who looks good in the morning and who doesn't; the gossip and rumors were never ending, and there's no such word as sleeping.

Our trip to Quebec City was a "trip". For those of us who did not speak French communicating with Canadians was quite an experience. We had to rely on sign language instead of "sound" language. However, the message was always understood.

To those of us who were initiated into the world of skiing, we were sorry there were no knee pads provided, but our initiation provided a wealth of entertainment for the group.

As we reflect, we realize that we grew together as a class. We learned to help, and to care for one another. We'll keep all these memories fresh. We became friends, and will remain so . . . and thats what it's all about.

WINING

For the hordes of CRLS seniors who invaded Quebec in March of 1983, dining was one of the more exciting events. What did the experience of dining in Quebec mean to us? Well it provided us the opportunity to sample rare delicacies and fine wines.

On Thursday night we were loaded on to our busses and taken to an isolated woodland restaurant. Here we were treated to traditional French-Canadian cuisine, the wine enhanced the meal.

With a full stomach, and souls filled with glee Mr. Weinstein (Le Heim!) rose to make a toast to the other chaperones who had done such a good job organizing the trip.

The following evening we went to the elegant "Le Difference". Chattering in French over matters of serious intrigue, we ordered huge quantities of seafood and fowl, trying our best not to give the waitresses hernias.

AND DINING

Imported Ham found in Quebec.

Saturday night was our last night together. Everyone was determined to live it up. One of the highlights of the evening was the Weinsteins "award ceremony". Awards were given to some of the students for their various "achievements" on the trip. Constantine Leotsukuas and John Crowley were honored with the "Gidget meets a man in a white raincoat" award. Actually they had black trench coats.

In memory of her battle with the chain lift on Mt. St. Annes Joanie Connell was given the "Rocky Marciano Memorial Award".

Marco Giampa's efforts to digest more alcohol than the rest of us, and his failure to do so in the elevator were awarded with the "Kelly Tripucka" award.

Finally "Best moves on the mountain award" was bestowed upon our leader for his graceful display of creativity on the slopes.

SKIING IN QUEBEC

On Friday morning the seniors took their first ski trip together as a class. We went to the La Raliegh Ski Center. It was, of course, a beautiful day and the snow was perfect. There were three ski lifts so you had many chances to go down the slopes. Everyone had their chance to show off on ski's. We had some good laughs watching some seniors going down the slopes, but not on their ski's. Saturday morning seniors went to La Raliegh or St. Anne's for another day of terrific skiing.

Today, the Quebec slopes, tomorrow the Swiss Alps!

Where are the brakes to this thing?

We like adventure!

CRLS Ski Patrol

NIGHT LIFE

Non, Je ne parle pas francais!

The lighted dance floors and loud American music lured CRLS students from the four corners of Quebec. There were, however, those of us who would let nothing distract them from the Canadian drinks.

Sean Denniston makes history on wheels!

After dinner on Saturday, we rollerskated at the "Roulatique." But after a few hours the discos were once again filled with the teenage Americans celebrating their last night in Quebec.

ROOM-SERVICE

Hello E.T., is that you?

I need my beauty sleep!

CRLS was never like this!

This should be the "Bottle Bill"!

THE TRIP HOME

We had a few too many at McDonald's!

A major part of our trip to Quebec City was the bus ride home. We anticipated most of the group would sleep the ride away — instead, the ride turned out to be the icing on the cake and a perfect conclusion to a tremendous trip.

The ride home came at the culmination of three sleepless nights, but the excitement was reminiscent of the journey to Quebec. Our stopover at McDonalds left the staff there dazed and bewildered by the size of our appetites; the playground saw the child in all of us come to the fore. We helped clear the area of snow — by means of a snowball fight!!

The enthusiasm and excitement of this class trip is difficult to describe, it was something that we wouldn't have missed for the world.

SCHOOL GOVERNMENT

Wednesday Morning Meetings

The school government is comprised of students willing to take on the responsibility that face a graduating class. Class officers and board members must be elected into their positions, but any student is welcomed to help out. The major responsibilities are finance, the class trip and the Prom. Although the work amounts to a lot of tedious afternoons, being involved in the school's government and activities is a very educating and growing experience.

You have to have a laugh every so often.

We're really moving.

DRAMA

THE WIZ

The Drama Department's production of **"The Wiz"** was a great success. It displayed the talents of many CRLS students. The colorful scenery also added an extra effect to the play. The enthusiasm of the actors, especially the Wiz himself, made it exciting to watch. Because of popular demand, "The Wiz" was extended for two additional shows.

Eddy Samuels; **Scarecrow,** *Donna Barnes;* **Dorothy,** *Chris White;* **Tin man,** *and Floyd Francis;* **The Lion.**

Romeo and Juliet exchange vows.

The first drama production of this year was *Romeo and Juliet*. After weeks of intense rehearsing the cast performed four superb performances. To relate the play's theme to the modern age, Judy Contrucci cast the Montagues as a black family, and the Capulets as a white one. Anya Farrell did a marvelous job as Juliet, as did Paul Sinclaire with Romeo. Rob Jenkins put on an outstanding performance as Lord Capulet — Juliet's father. Despite the hard work, all cast members agreed they enjoyed themselves.

Count Paris also loves Juliet.

Cambridge Rindge and Latin's production of THE REAL INSPECTOR HOUND was first place winner in the Regionals hosted by CRLS and was selected as one of the three schools to compete in the semi-finals on March 5. In addition, five CRLS actors were named to the All Star Cast, the highest number received by any of the schools. Cited for excellence in acting were Tres Lussier, Rob Jenkins, Ashley David, Charlotte Sussman, and Neal Carter. Other cast members included Asha Mehrling, Chris Howard, Eddie Jones, and Kofi Ingersoll. The production was directed by CRLS drama teacher David Zucker.

Orchestra and Band director Bob Ponte

AND BAND

The Music Department's Holiday Concert was presented on the evening of December 21, 1982. The program consisted of the Jazz Ensemble, Jazz Singers, Band, Combined Choirs, Vocal Ensemble, and Orchestra. The instrumental groups were conducted by Robert Ponte and the vocal groups were conducted by Patricia Reycroft with the help of James Ankney.

The Band played "A Christmas Festival" by Leroy Anderson as well as a couple of half-time tunes and a trumpet solo by Tom Holleran.

The Orchestra played music ranging from the serene piece, "The Old Castle" by Mussorgsky to the dramatic overture to "Egmont" by Beethoven.

COMBINED CHOIRS

The Combined Choirs sang many songs including "Jazz Gloria" by Sleeth, "Do You Hear What I Hear" by Shayne, and selections from *Godspell* by Schwartz. They also promoted the holiday spirit with "What Child Is This" with soloists Donna Fitzgerald and Maurice Haynes, along with "The Twelve Days After Christmas" by Silver.

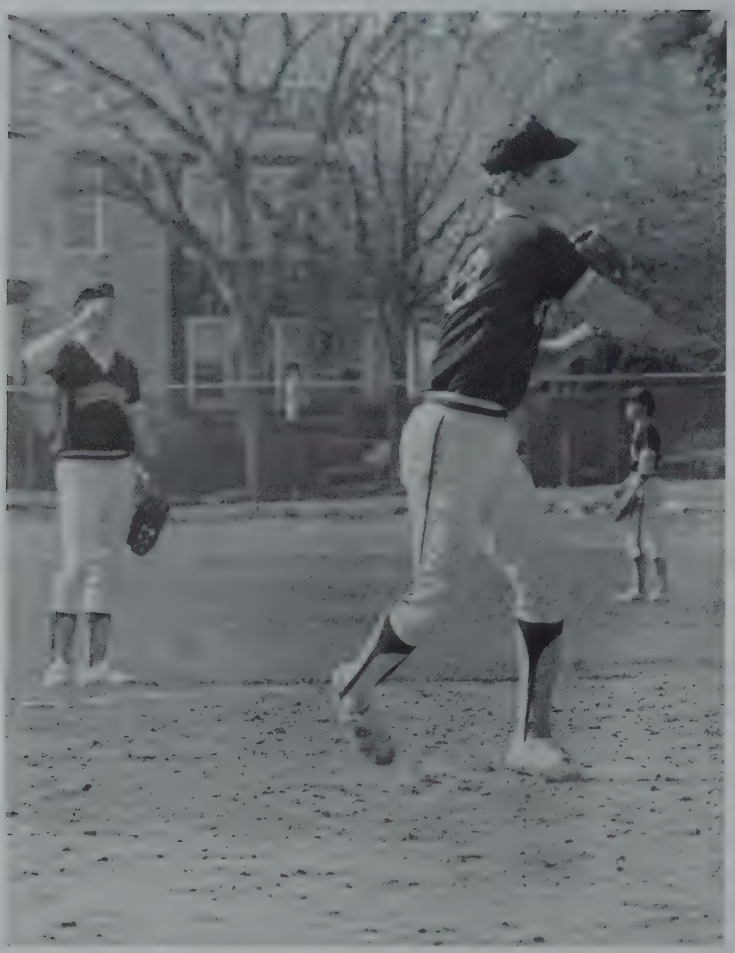
BASEBALL



For years there has been an element missing in the sports section of the yearbook. This year marks the return of baseball to this photogenic section — and with good reason. For the first time in twenty three years our baseball "warriors" were crowned as Suburban League Champs! Considered the most powerful league in the state, our warriors finished with an impressive 13-3 league record compiling an overall 17-5 record. The team swept thru the annual Lawrence Invitational Tournament by crushing their two opponents. Unfortunately they fell short in the bottom of the ninth inning in the state semi finals. Nevertheless, the prominence of baseball in Cambridge is back!

SPORTS RALLY

Coach Inglis presents Mr. Sarasin with the Suburban League Championship plaque.

Student Body show their support at the rally.

The Sports Rally was filled with high energy and enthusiasm. For the first time in C.R.L.S. history, the soccer team was in the highly competetive Suburban League. Unfortunately, they fell a goal short and were defeated in overtime in the State Finals. The team presented Mr. Sarasin with the Suburban League Trophy which they won.

As the football players entered, the cheerleaders started things off by electrifying the school with their dancing and cheering routines. Mayor Vellucci, then spoke from the podium proposing to the football team a spaghetti dinner, and our soccer team, if we were victorious on Turkey Day. That was the only incentive needed. Mr. Greenidge followed by introducing the senoirs of the team, who were about to play their final game for C.R.L.S. The captains, Jack Lopes and Nady Pierre, then concluded by expressing their gratitude to the school for their attendance and support.

All Suburban Captain Jack Lopes encourages fans to support his team.

The band's support was always appreciated by the team members.

Although the cheerleaders had a slow start this year, their enthusiasm and dedication made up for it. They supported the football team during rough times.

Their hard work was mirrored by the excitement of the crowd.

The **C.R.L.S. Band,** directed by *Bob Ponte* and *Jimmy Smith,* has taken a more original course than most high school bands.

The band plays its own version of the funk tune, *Planet Rock,* while doing the *Worm.* They also play on the kazoos, *Ma-Na Ma-Na,* from the Muppet show, as well as traditional band music.

Halloween is always a special event. The group attends the football game in costume.

On Thanksgiving Day, the band gets to show their talents to everyone. They provide constant entertainment throughout the game, especially during half-time.

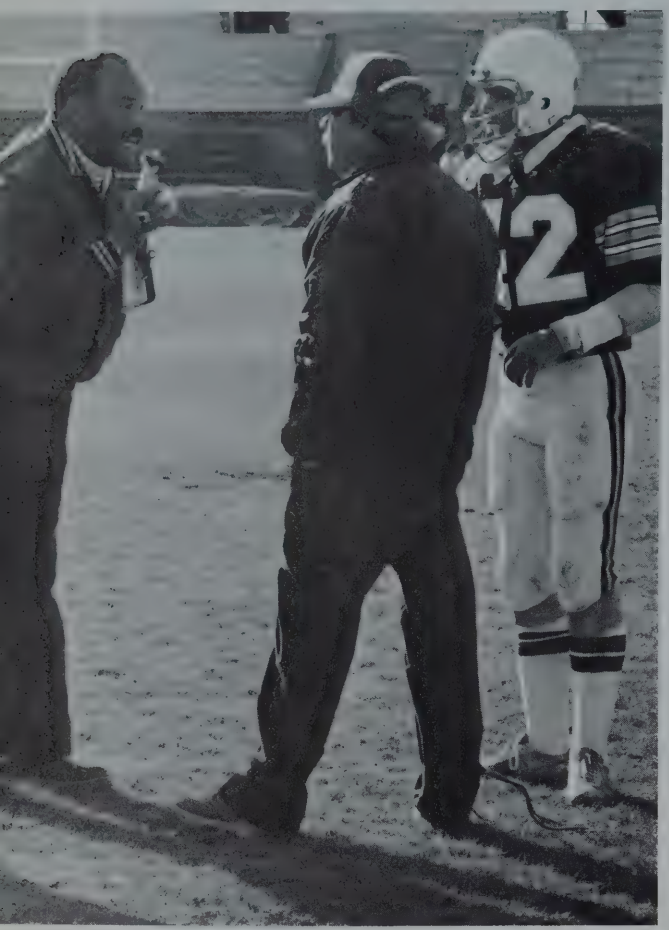
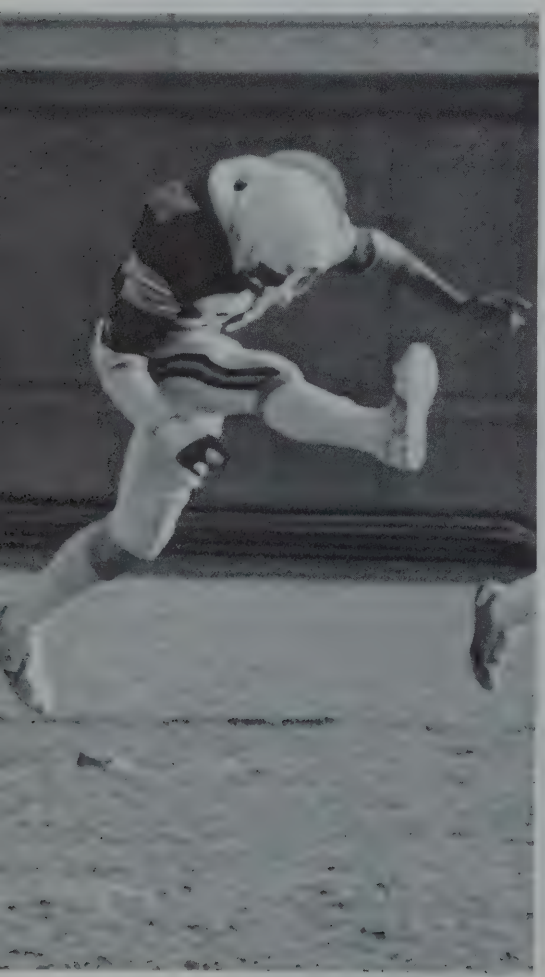
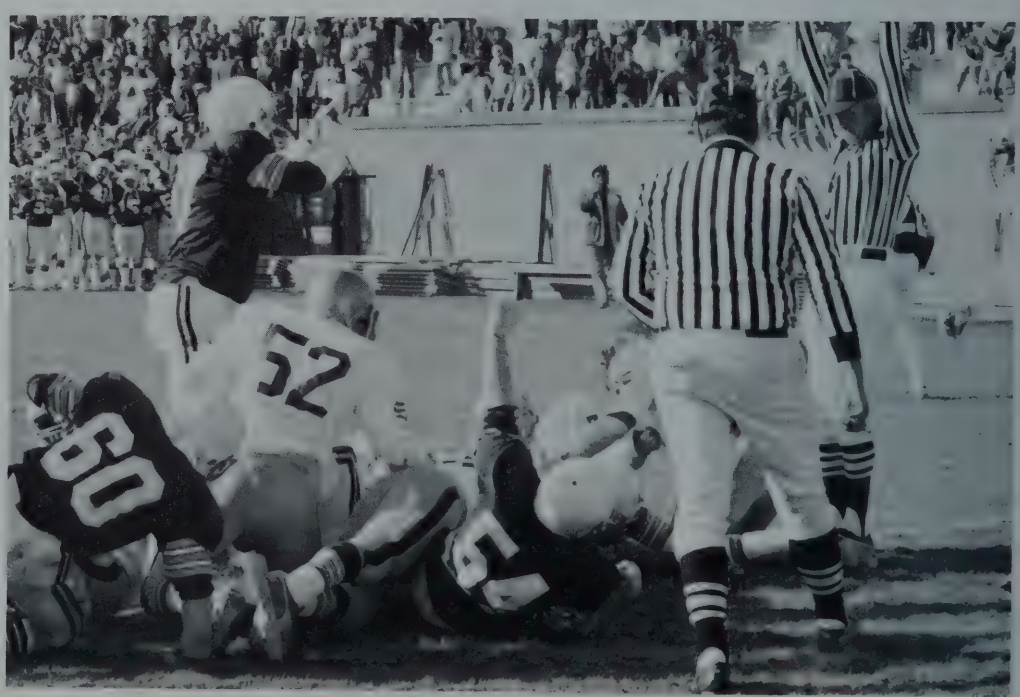
THANKSGIVING DAY CLASH







The only word that fits when describing the turkey game is determination.

Our football warriors just never let up sustaining total control throughout to defeat our traditional turkey game rival, Don Bosco, 18-6.

The key to the game was aggressiveness of our defense. Twice Bosco penetrated inside the 10 yard line but was stopped on fourth down to relinquish the ball. Senior tailback Phil Campbell broke the tie with an impressive fifty-nine yard touchdown run.

Our team just kept punishing Bosco physically, and before halftime, senior quarterback Tom Dennehy waltzed into the endzone for a 12-0 lead. Midway through the third period, following a Warrior fumble, Bosco scored from the two yard line. The game then was secured when senior captain Jack Lopes, after snapping for a punt, ran down the field and recovered a fumble in the endzone to ice the game.

What followed was anticipation of the game's end as promised; both goal posts were torn down.

When you think of what football means to C.R.L.S., you're talking about a lot of pride and spirit. From the hot and grueling double sessions in early September to the bitter and dark practices in late November, our football team went through many peaks and valleys. A 13 week commitment with only 10 Saturdays to show for it, sometimes make you wonder if it's worth it.

Without making any excuses, it was definitely a tough season for our gridsters. Playing one of the toughest schedules in the state, the team did hold their own; forcing superior teams to play their hardest. It's a great tribute to the coaches and players, during tough times, for sticking together and never pointing the finger.

GIRLS' SOCCER TEAM

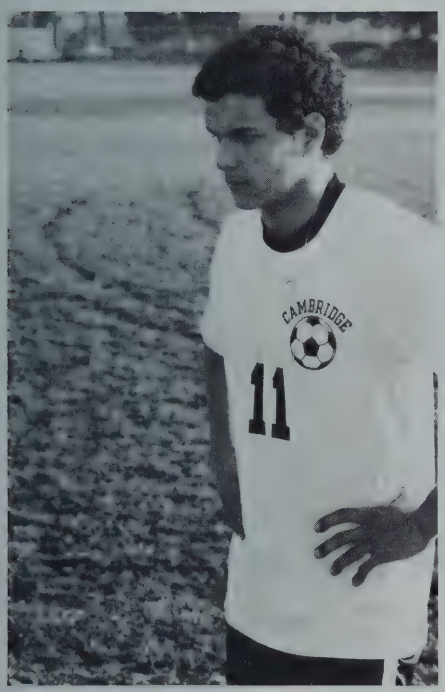
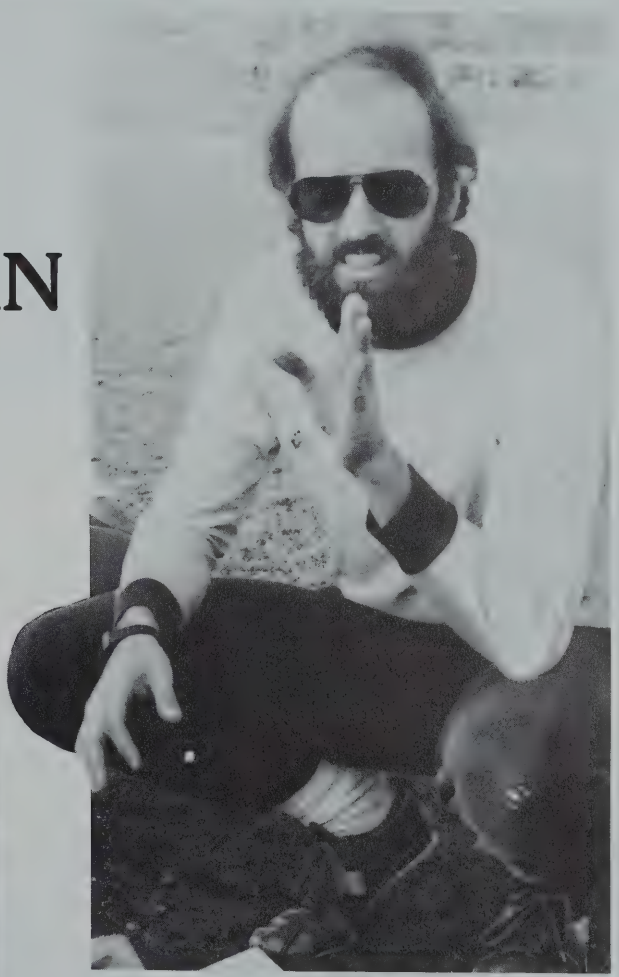
BOYS' SOCCER TEAM



SUBURBAN LEAGUE CHAMPS



Seasons have come and gone with little glory and few victories. It was time to prevail and cheer, time to restore title as "League champs". This was the year. Tremendous talents were united that lavished the soccer fields which conduced to regaining the title and respect they well deserved. It was a memorable season not only for the students and faculty attending, but also for the sports history of our school.

GIRLS' CROSS COUNTRY

Thayer Plante, the best runner in the state, is possibly the best runner in the country.

This year's **Girls' Cross Country Team** was constructed by many surprising talents from the rookies and the vets.

It was a time of relating, encouragement and a lot of hard running.

This year's girls proved themselves worthy. They placed third in the State Meet, second in the Suburban League, and first as a *fine girls' cross country team.*

BOYS' CROSS COUNTRY

The Boys' Cross Country Team ran exceedingly well this season. Even though the competition was quite grueling, they kept at it. Their performance, throughout the season, and during the Suburban League race was superb.

GIRLS' INDOOR TRACK

'83 was the year of the flourishing girls' indoor track team. An extremely productive team with an amazing amount of born talent on and off the track. Basically a young team but with the potential of gaining Suburban League title. They were said to be one of the best teams in CRLS girls' indoor track history. Many records were broken and yet many more were to come.

Remember to run hard.

Contending victory over them was just pure luck. It came down to the relay at every point. But some day soon that luck is going to run out and CRLS girls track is going to show them who's Boss.

BOYS' INDOOR TRACK

This year's boys' track team was a team we'll all remember. They were innovating, enthusiastic, exerting, well-disciplined, just Awesome. Their castigation to perfect their studies was the only tool used to capture their title as **Suburban League Champs.**

Meet after meet they blew away each contending team proving that they didn't need anyone.

BASKETBALL

The Girls' Basketball Team ended its 1982-83 regular season with an impressive 14-4 record, winning them a place in the state tournament.

The team started their season slowly, winning only 2 out of 5 games. (Each loss was within 4 points.)

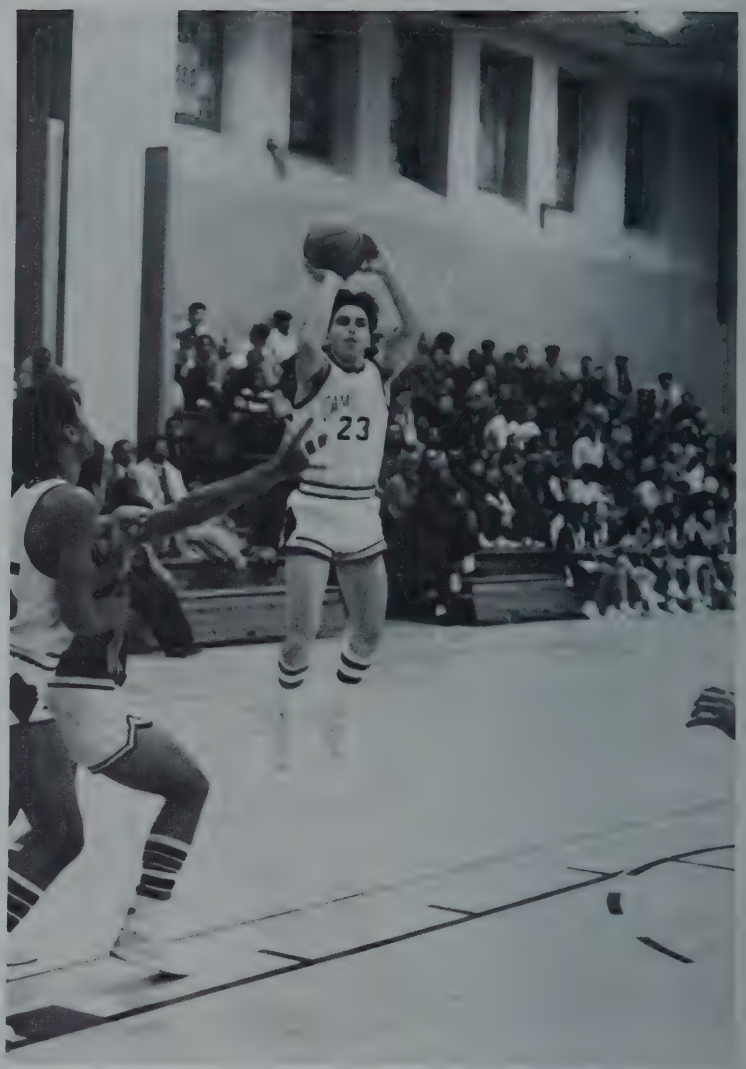
The turning point for the girls was a victory over the powerful Brockton team. From that point the girls were undefeated.

Tri-Captains, Tina West, Cathy Espada and Dolores Williams led the Warriors. High scorers for the season were Dolores Williams (first in the suburban league) and Tina West (second in the suburban league).

The team produced four Suburban League All Stars: Tina West, Dolores Williams (MVP), Bonnie Fichett (junior), and Cathy Espada. Others members of the Varsity Team are: Andrea London, Velda Chambers, Tania McRae, Laura Danulik, Noreen Tucker, Tina Soars, Rhonda Greene.

There were four new members of the J.V. team who joined the varsity team for the tournament, they were: Seniors Rachelle Donlley, Cathy Cambell, Kin Woodriff, and Junior Patti Davis.

BOYS BASKETBALL



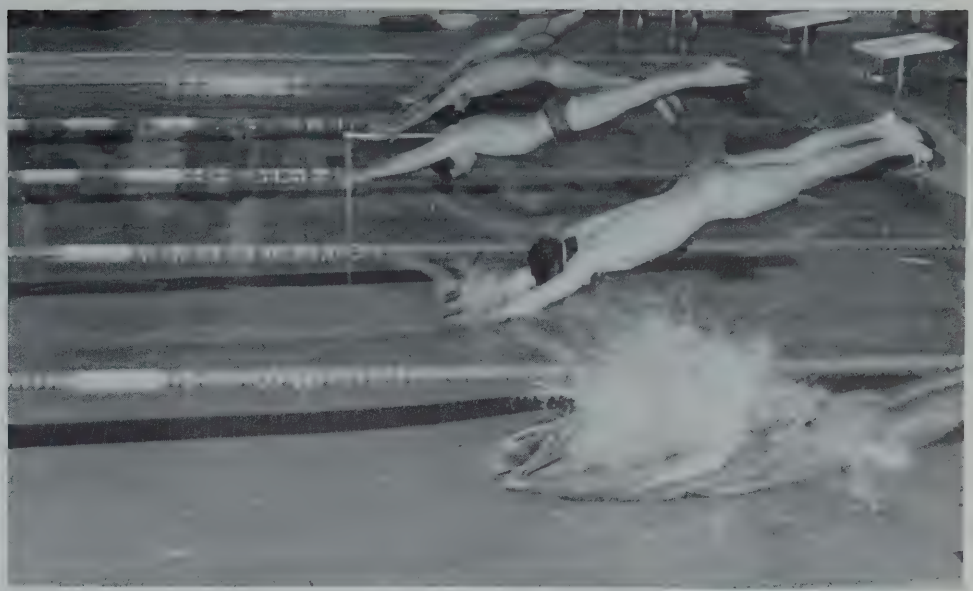
Here it goes.

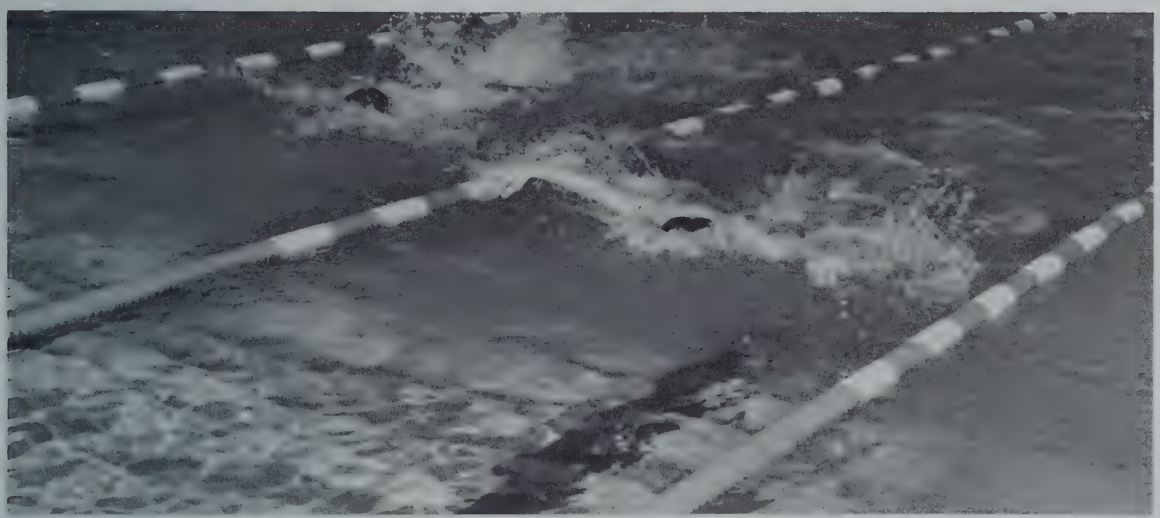
Back Row: Mike Jarvis (Head Coach), John O'Leary (Asst. Coach), Paul Chase (Manager), Coene Clark, Herman Anderson, Ron Edgehill, Keith Hinderlie, Clinton Evans, Mike Harding, Tony Brooks, Aaron Barrett (Manager), Vin Foderingham, Richard Jarvis (Asst. Coach), Al Coccoluto (Asst. Coach). **Front Row:** Kevin Dottin, Rumeal Robinson, Irv Dotten, Stan House, Nady Pienne, Donald Ricketts. **Missing:** John Evans.

In a rich tradition of Cambridge athletics, basketball has continued to remain a winner. When you have a reputation of championship caliber, it seems everyone plays their hardest against you. This years green team has fallen victim to that reality. Although the season commenced a little slowly, the squad kept improving and has re-established the fear to opposing teams. A team that is being centered around underclassmen, it's a great feat to keep winning while the coaches are preparing the team for the future. But the team will have a void to fill when it loses its senior leadership to graduation.

BOYS' SWIM TEAM

The Boys' Swim Team made an excellent showing as they beat Quincy 85-53.
In the 200 freestyle, though Quincy took first place, the Cambridge Warriors captured 2nd, 3rd and 4th.
The Cambridge boys also swept the 200 I.M., with John Tierney and Jon Carroll coming in first and second respectively.
Diver Do Doan placed 3rd in the meet with 85.70 points.
Breaststroker Chris Brown and Butterflyer Troy Elerby were also major factors in the Warriors victory.



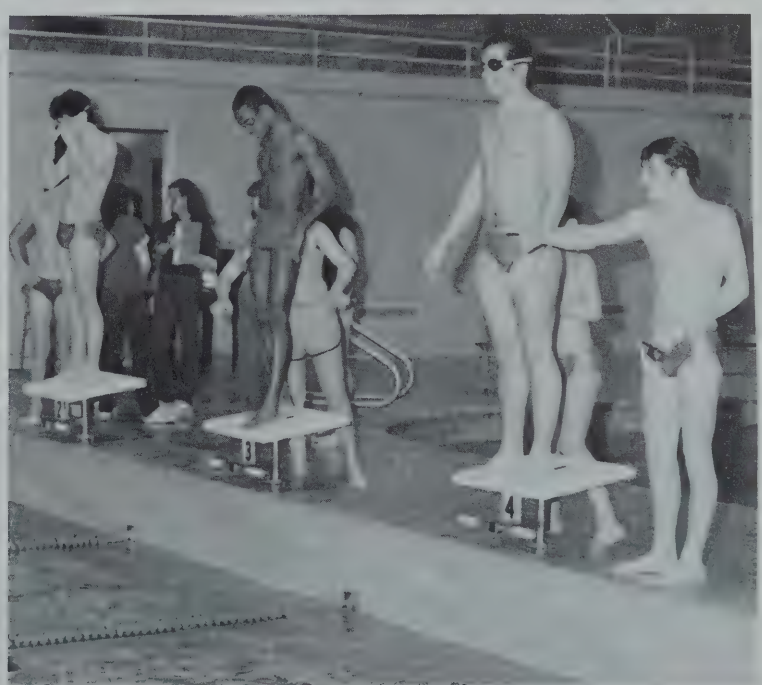


The boys ended their season on a positive note by competing in the annual Swimming and Diving State Championships. They finished in an impressive 6th place with a total of 96 points.

The Warriors 200 yard Medley Relay placed a close 3rd in the meet. The relay members were: Marc Street (Backstroke), Chris Brown (Breaststroke), John Tierney (Butterfly) and Mike Cotter anchored with freestyle.

John Tierney placed a close second in the 50-yard freestyle, while teammate Marc Street placed 3rd in the 200 yard I.M.

Because the boys will not lose too many members due to graduation, they look forward to an even more exciting season next year.



Back Row *(L. to R.):* Manager Al Brown, Tracy Joyce, Kerri McGrath, Kathia Manzi, Anna Martin, Cristel Sloan, Bliss Austin, Shana Hill, Betsy Flack, Coach John Samp. **Front Row** *(L. to R.):* Eileen Murphy, Sharon Nangle, Shanta Mehrling, Jackie Aronowitz, Sheilah Bolger, Alexey VanValkenburg, Asha Daniere, Kirsten LaCasse, Sybil Byers, *(not shown)* Maura Donnelly, Margery Bagley

"Help! . . . I'm stuck."

"For that sly remark, 30 laps . . . TIMED!"

GIRLS' SWIMMING

Co-Captains *(L. to R.)*: Sharon Nangle, Maura Donnelly, Coach Samp

The girl's Swim Team was led by co-captains Sharon Nangle and Maura Donnelly. Together with Coach John Samp's background in the sport, individual success was inevitable.

Individual improvement was most noticeable in Soph. Anna Martin's 50 and 100 yard freestyle performances, and in Alexi VanValkenburg's 500 yard freestyle.

The team was supported by 3 strong butterfliers: Sharon Nangle, Sheilah Bolger, and Shana Hill. All of them looked promising early in the season, and by the end of it, showed marked improvement.

Maura Donnelly proved to be a very tough competitor in the 100 yard backstroke, just touching-out a swimmer from Weymouth.

Divers Eileen Murphy and Jackie Aronowitz had very successful seasons. Eileen capped-off her season by placing 10th at the State Meet.

Overall, spirit and team support made this an exciting and successful season, paving the way for more of the same in years to come.

"I'm singing in the pool, just singing in the pool."

Optimism. 1. A disposition to look on the brighter side of things. 2. The doctrine that everything is ordered for the best. 3. The doctrine that the universe is constantly tending toward a better state.

It is with this outlook of optimism that we began and ended our 82/83 hockey season. Our enthusiasm never waivered, our spirit never diminished and we improved with every game.

To our senior team members, Scott Holmes, Mike Feloney, Colin Daughtrey, Terry Mitrano and Paul Norrish, we thank you for your undaunted loyalty and spirit and wish you and your classmates success and happiness.

WRESTLING

Cambridge is once again on top of the situation.

Boys' Wrestling had an exceptionally well-rounded season. The victories were few, but the hard work and sportsmanship were worthwhile.
It is believed to be the fastest growing team in Coach Healy's history, with 40 members overall.
Though the team is made up mostly of freshmen and sophomores, each played their part in making the season unforgettable.

THE YEAR BOOK STAFF

The 1983 Yearbook represents, in my opinion, a microcosm of all the fine things that make up C.R.L.S., and the team of students who have helped to produce it is a mirror of the true student body of this school. My invitation to join the staff of the 1983 Yearbook offered me a chance to work with a truely creative group of young people, and for that I am grateful.

The Yearbook holds tremendous potential as a reflection of the life of the school as seen through the eyes of the Senior Class, and in particular through the eyes of the production staff. It is hoped that in the years to come that potential will be exploited to the full.

We have tried to give recognition in the Yearbook to all those who have helped to provide a good education in a secure setting here at C.R.L.S. It takes many people to make education a success. Without custodians, cafeteria workers, security personnel, and other seldom considered professionals, the school would grind to a halt. Without secretaries nothing would be done effectively; to these people the Staff says thank you.

The Staff was fortunate this year that it had as its editor Teresa Soares. A more dedicated, loyal, hard working person would be difficult to find. To her I owe a vote of thanks.

I hope in the years to come as you browse through your Yearbook it will trigger memories of your high school years. Friendly faces will smile again in your mind and your heart will be warmed by the thoughts of the days you spent at C.R.L.S.

As the school year draws to a close, you will each choose your own path to follow. Those paths will be filled with joys and disappointments, successes and failures. Some of you will perhaps pioneer new worlds of the mind or of the universe. Others will follow more mundane paths. But you will all seek to know yourselves and your world better. For you have learned that knowledge is beautiful and worth seeking, and that friendship and open hearts are worth having.

You will all grow older; change will come to you and to your world, but I hope there will always be time for fond memories of the years you spent here at C.R.L.S.

EPILOGUE

As the night approaches, turn around and look.
Look at the corners of the air, at the corners of your mind . . .
See and remember.
Yesterday has died; today has faded — like the snow and the wind.
As tomorrow awaits . . .
Each rose bud you see, each new born you touch,
brings you a whole beginning, brings you another line to write on.
When you awake in the morning of the future,
don't let anything stand in your way.
Make a dream your life and not your life a dream.
Admire each sunset and birth of spring,
remembering those who cannot see through your eyes.
Don't be afraid to take a chance or blinded by ambition.
Forget not who you are — instead of what you've become.
Face yourself in the mirror with a smile and tranquility.
C.R.L.S. has lead the way and opened the door for us.
Now it's up to us to step through.
We take our accomplishments, our acquaintances
and our memories.
We leave behind our tears, our fondness
and our love for C.R.L.S.
Despite what the future holds,
there's one thing for sure:
These years were the greatest!

Farewell,
C.R.L.S.

THANKS TO ALL OUR SPONSORS. . . .
